

# The naked truth

**I CAN,**

**know that I can.**

**I tell myself**

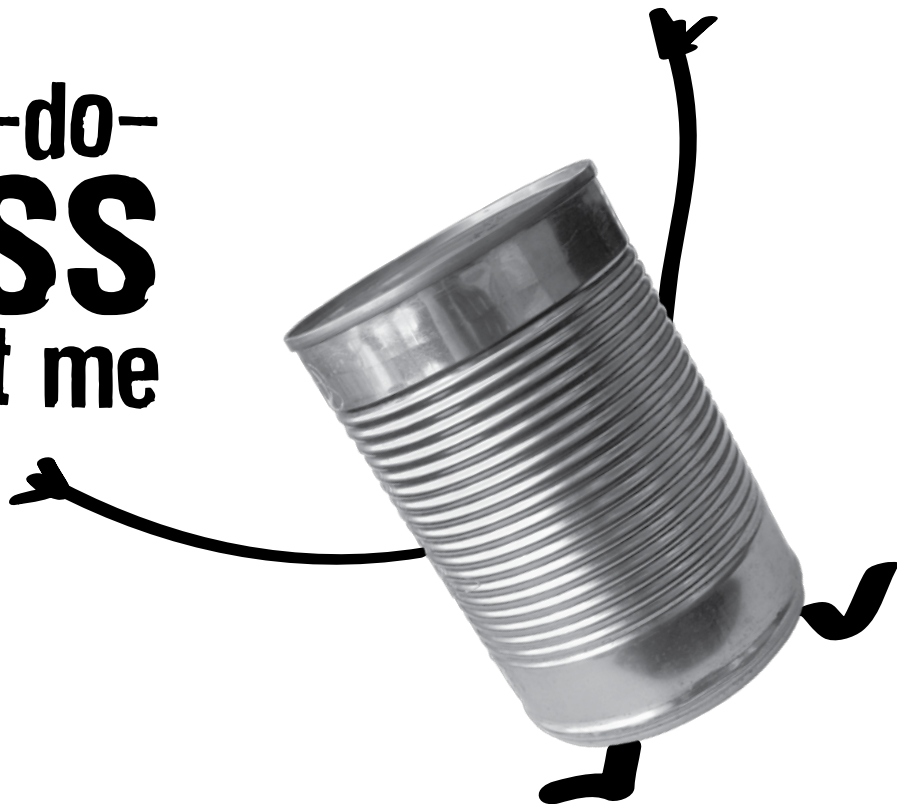

**everyday; CAN, you can...**

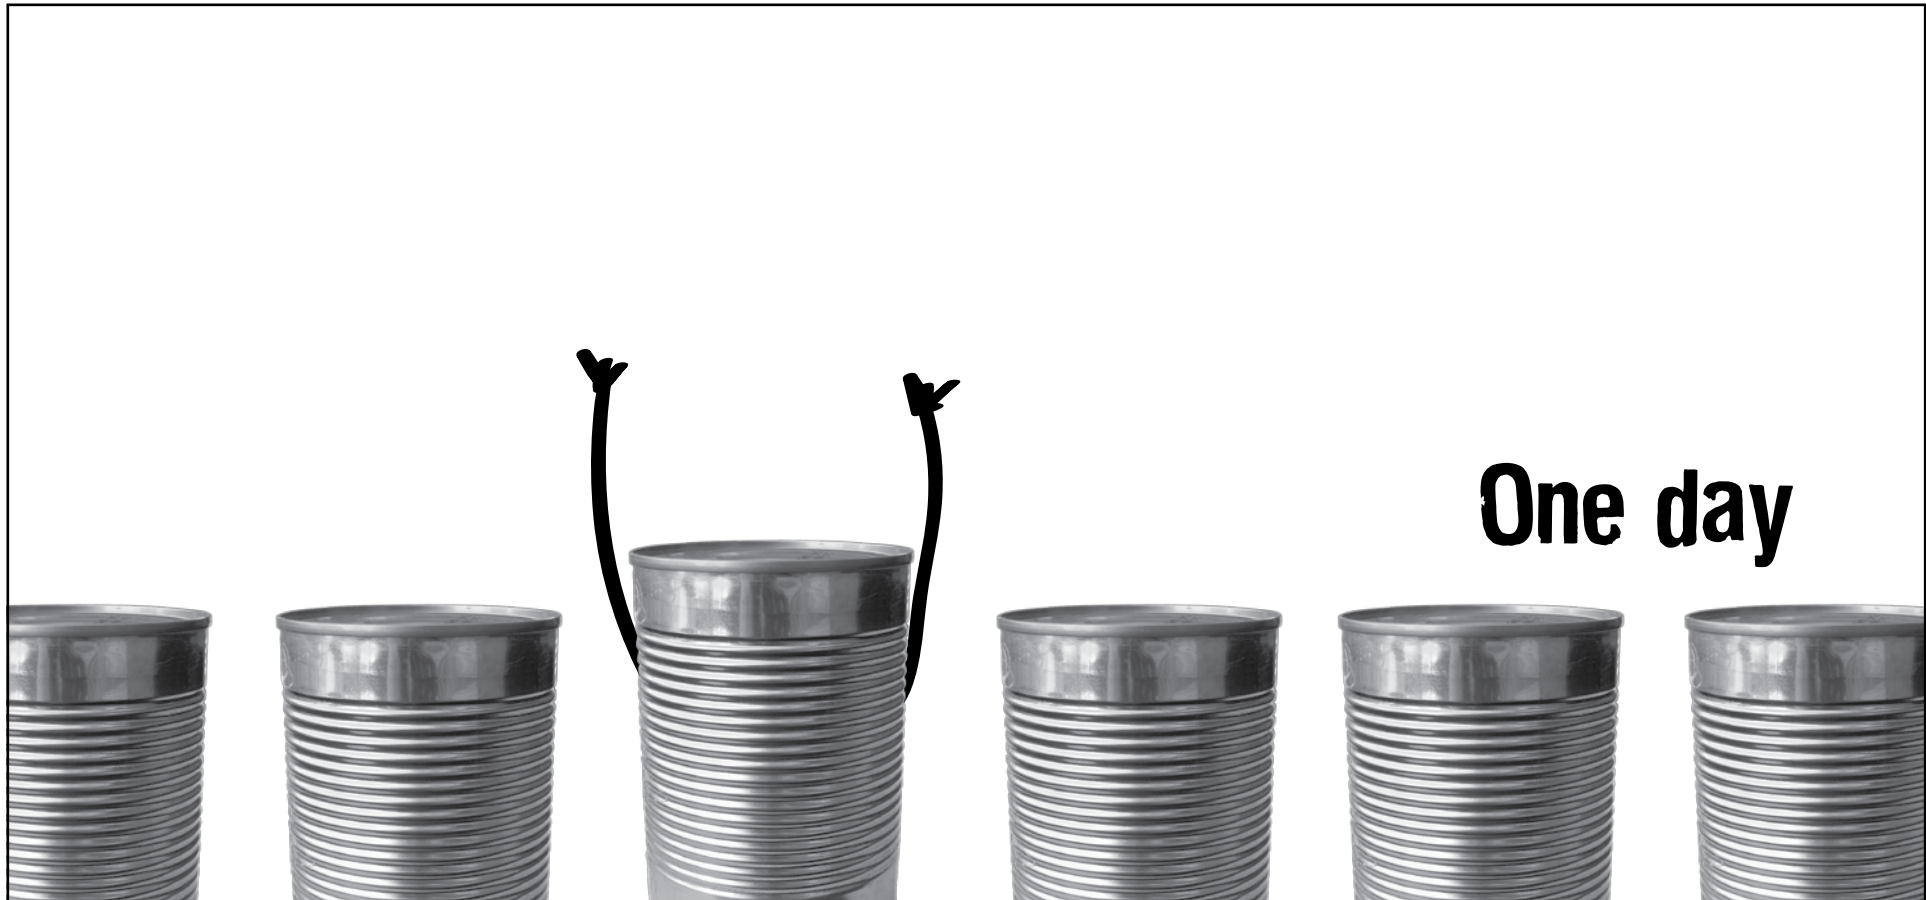

Mum always said  
**it's what's  
on the inside  
that counts**

I'm full of CAN-do-  
**goodness**  
Just look at me

**One day** they will pick me

**One day**

If only they could see the

**inner beauty**

**But I CAN...** one day, one day they will see...

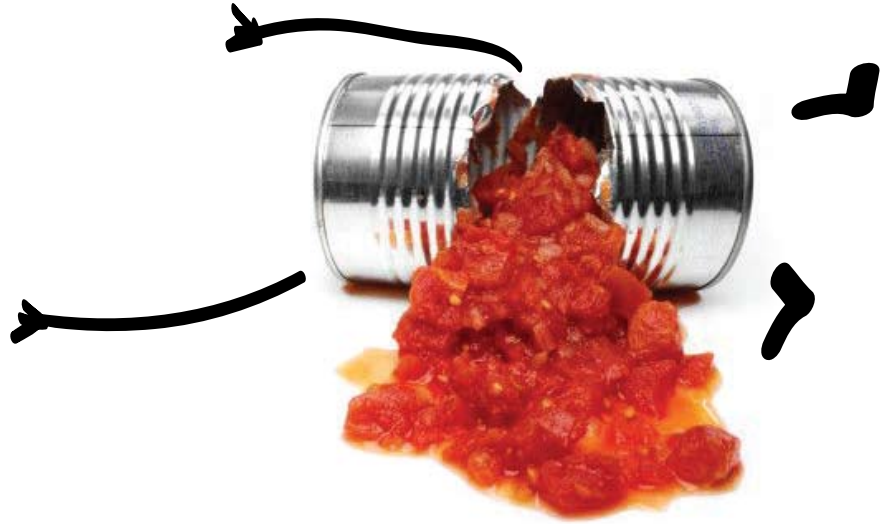

**Sorry mum**  
**it's time,** it's time  
for them to see...

# The naked truth

When  
inner beauty  
is not enough
